

## **Shake the Nation Conference**

**5/16/2008 - 5/17/2008: Shake the Nation Conference**

### **Shake the Nation Conference- May 16,17, 2008**

**Most of us realize that something is wrong in our country but most of us have no idea what to do to change our course. Many of us have been asleep as our churches have taken hits from all sides and we have retreated into a corner and are afraid to come out and say "No More!"**

**Shake the Nation conferences are designed to awaken the churches and take back our communities and our country by educating pastors, congregations and citizens of these communities.**

**On May 16 and 17, 2008, eight pastors from all over the country will be in the Treasure Valley to give an educational, spiritual message of hope and a way to become more active in our communities to stop the continuous moral decay that plagues every facet of our society.**

**The Pastors will be in two groups, one in Boise, the other in Caldwell and will switch on Saturday so each location will be able to hear all speakers without traveling to a different location. These conferences will be held at the same time at each location.**

**This event is free.**

**Please join us at the:  
University Christian Church  
1801 University Dr. Boise, Idaho  
Friday 6-9:30pm  
Saturday 11-3pm.**
